FAREWELL ADDRESS

As Coronation '83 draws near, I'd like to take this opportunity to thank all of you. There are so many people to thank, that I'm afraid that I would leave someone out. So, I'll just say to each and everyone of you, "Without your support, love and friendship, this past year would have little meaning."

Without a working court, an Emperor is nothing. I am very proud of the 11th Imperial Dahl-Fin Court de Santa Monica. Their hard work, love and loyality is unsurpassed. To each and everyone of you, from the bottom of my heart, a special thank-you for being there! Our dreams have only begun to come true and tonight does NOT mean it is time to quit! Tonight is your evening too. Be proud of your accomplishments all year. I am.

Through out my reign, I have met many new friends and have renewed many old acquaintances. I hope I have grown as close to you as you have to me.

To my friend, lover, and Empress Barbie Dahl, who without her constant guidance, love, and understanding, I would not have made it through my reign as well as I did. I thank-you Barbie from the bottom of my heart for a fun filled and productive year. 1-4-Z-V-M

In closing, I would like to wish each and every candidate the best of luck. May the newly elected monarchs, who ever they may be, be as happy, productive and most of all, have as much fun as I did during my reign.

THANK-YOU ONE AND ALL FOR COMING TO SANTA MONICA FOR CORONATION '83

DOLPHIN EMPEROR 3 & 11

H.M.I.M. MS. JO

Dear visiting Monarchs, friends and to the Santa Monica Court

It isn't with any sorrow that I take this last and final walk tonight but with total joy for a great year.

I am lucky and extremely proud of the fantastic court who have been just super. These kids have shown me the respect every monarch should be fortunate enough to experience. They brought pleasure and tremendous input to our meetings as well as their creativity. They got me to do things I never thought I'd do!! They will do anything and everything then can to make our community of Santa Monica number one. They have proven to be a wonderful group of kids who deserve to have a last walk on their own. I would like everyone to know how deeply proud I am to have had a part of your year. My total respect is given to each and every one of you ..... my future monarchs!!

To Michael Cole ..... you have proven to be a good friend of Santa Monica and your friendship to me goes without saying.

To the Apples ..... I've never known you to say "no" whenever you were needed. Thank you!

To Lady Barbara ..... every person should have a friend like you and a friendship like ours. Thank you, my friend.

To Lewis & the Roosterfish..... thank you for your unselfishness in allowing us to have our functions there... and to your customers for putting up with us!

To our Privy Council .... you stayed in the background and never interfered unless asked to help. Thank you!

To all my visiting friends .... I thank you for being here on this very special night.

Last but not least, to my Emperor Jo ..... you have driven me crazy with your procrastination but we did it! I wish you every success in whatever your future brings.

To the new Monarchs who will be crowned tonight .....
GO GET 'EM TIGERS !!!!

Sincerely,

Barbie Dahl
